To Whom It May Concern:

**Reference Letter – Women Unleashed**

Women Unleashed is a Namibian owned company with extensive resources to successfully complete Interior Design projects of any scale.

Women Unleashed specializes in the following fields:

- \* Interior Design
- \* Interior Décor
- \* Manufacture & Supply of all furnishes & furnishings
- \* Mentorship & Training Programs in the field of Interior Design & Décor

The company is managed & owned by Melanie van der Merwe & Lilian Mundia. Melanie & Lilian is vibrant & energetic individuals who express themselves well in the construction -, Décor -& Hospitality environments. They are determined, hard working & self-driven, setting high standards for themselves & their staff at all times.

We worked in conjunction with Women Unleashed on an N\$40 million Community Project in Karasburg, The Karasburg Business Park, of which Women Unleashed budget were N\$5.1 million. Part of Women Unleashed services included the training of local people in self-sustaining skills.

The quality of workmanship & furniture and fittings supplied were of a very high standard & quality. Combined with this, Women Unleashed were able to stay within their budget & time constraints.

I can highly recommend Women Unleashed for any proposed project.
